Herdic Cabs At Twenty-Five Cents. A Herdic cab service is soon to be established in this city by a number of gentlemen from Boston. They will put in six cabs next Monday. The fare per person will be twenty-five cents, and where the vehicle is hired by the hour the charge will be \$1. An office will be established in the central part of the

city with telephonic communication from all A Curious Coincidence. Four men were driving into Danielsonville Friday to attend a funeral, when their horse ran away and three of them were thrown out and slightly injured. The funeral they were going to attend was that of James Timperley, whose horse ran on that same street on the 16th inst., causing the death of Mr. Tim-

perley and his daughter. The horse struck the same post and fell in front of Mr. Char-les Bacon's store at which Mr. Timperley's horse struck and fell. Important to Taxpayers. Taxpayers may commence handing in their tax lists to-day to the board of assesors. These lists must all be presented during the month of October or else no redress can be sought from the board of relief in January for over-valuation. In addition to this the

law is such that those taxpayers who have neglected to hand in lists for two years past and for the present year will have thirty per cent, added to the valuation upon their prop-Democratic Parade. The Democrats will have a parade this evening under the command of Colonel John G. Healey. The various companies will form on the Green. The procession will move out the north gate, up Elm to Broadway, around the upper Green, down Whalley avenue to Broadway, to York, to Cedar, to Congress

avenue, to Church, to Chapel, to Franklin, to Grand, to Olive, to State, to Eld, to Orange, to Grove, to Church, to the corner of Elm where the parade will be dismissed. The wriggling eel finds its way into the city water pipes and thrives and finally gets wedged into some small service pipe so tight as to stop the flow of water. Much digging has

been caused of late from this cause. The occupants of Exchange building were recently denied their customary supply of city water for two days until the street could be dug up and the eel taken out. Yesterday an eel weighing one and a half pounds was pulled out of the orifice of the street hydrant from which Dorman & Perkins' watering carts receive their supply of water.

State Firemen's Association. The executive committee of the State Firemen's association met in this city yesterday and appointed Chief Hendrick a committee of one to draft a bill to be presented to the of one to draft a bill to be presented to the of one to draft a bill to be presented to the of one to draft a bill to be presented to the of the same village. She never reached her destination, and nothing was seen of her until Friday, when her body is to be congratulated on its acquisition."

It is the same village. She was in business in Denver, and New Haven is to be congratulated on its acquisition."

Sons of Veterans. of one to draft a bill to be presented to the was found in a dense swamp, near the village, next Legislature incorporating the associa- by a party of hunters. The flesh and limbs tion and also a bill similar to those of other were torn from her body, which it was thought trom state insurance companies, to be devoted to the aid of the widows and orphans of deceased and disabled firemen. It was also voted to draft the by-laws of the association in pamphlet form, also the accounts of the previous meetings of the association.

Kid Gloves.

POLICE COMMISSIONERS. The Weis-Wans Controversy Finally Builders Who Want Their Buildings Protected From Petty Thieves Precautions Taken For Election

sioner Bollman presided at the meeting of the Police Commissioners last even-ing in the absence of President Sloat, Clerk Crowley officiated instead of J. P. Pigott. A petition was presented by the builders of this city requesting that patrolmen be instructed to protect buildings in the course of erection from petty thieving and destruction Mr. Reynolds said the stream emptied on of builders' tools and materials necessarily private land and the town had been threat- left on the premises. The petition was signed by Larkins & Langley, Chatfield & Grant and some twenty-five other builders

George M. Grant presented the petition and made a few remarks in which he said that builders had long suffered from the depredations of children and others who car ry away timbers, barrels, loose bits of wood and tools. The thieves work between the hours of 6 p. m. and 7 a. m.

Most of the signers of the petition were present and several spoke about the matter. Attorney Hugh Dailey was present and suggested that an ordinance forbidding children or others from being about buildings in process of erection would help the mat-

Mr. Langley said that \$20 worth of material, boards, barrels, joist, etc., had been carried from the building being erected on the corner of York and Chapel. He had seen policemen going by buildings when stuff was being carried off without interfering. One gentleman said \$8,000 worth of lumber was taken during a year from the builders in this way. The chief was instruct-ed to warn the policemen that they must ex-ercise more care over buildings when in pro-

cess of erection. The case of Officer Waas, charged by Philip The case of Officer Wass, charged by Falling
Weis with conduct unbecoming an officer in
laying hands upon Weis and using insulting
language to him and his wife last July, was
partially tried at a former meeting of the Board
and was renewed last evening John McCarthy, a
young lamplighter living at No. 24 Hallock
street, testified that he saw Waas try to pull
Weis out into the street and heard the parties
talking in German. Officer Waas testified talking in German. Officer Wass testified that he had no row with Weis. "I never got excited," said Mr. Wass, "and I backed out of the yard, for I would have been hit if I had turned around."

I had turned around."

Theodore Wurr, of 32 Tyler street, and Charles Wurr, son of Theodore, heard Mr. Weis call Mr. Wans to "get out" three times, but saw nothing that happened in the yard. Dora Spreyer, of No. 18 Tyler street, and Julius Wans, of No. 10 Tyler street, testified to the same effect.

Attorney Dailey appeared as a witness in the case, He testified to the extreme persistency of the Weis family in having the officer brought in. In executive session Officer

made by people from other places as well as by our own people on the improved condi-tion of the roads in this town. They have had a large amount of labor expended on them by the different contractors to whom cer brought in. In executive session Officer Waas was reprimanded. Commissioner Hart offered a motion which was adopted to the effect that the chief detail men to places where political gatherings are held and public speaking takes place to see that order was maintained. the credit is largely due. If the same amount of labor and care is laid out on them for the remaining two years for which the contracts have been made the roads will be excelled by Precautionary measures for preserving peace on election day were discussed and the Extensive improvements have been in prog-ress at the steam power building, and the factories will soon be in readiness for busi-ness. The buildings have lately received a clerk instructed to call the next meeting of the board at 12 m. November 4. Λ committee consisting of Commissioners Catlin and Hart was appointed to prepare and report an estimate of money needed for

he coming year.
Officers Wass and Bissell asked for full pay during the month, although they were laid up a portion of the time owing to in-juries received in performance of their duty. The Board voted to grant their requests.

The pay roll amounted to \$8,172.94. The bills were: New Haven Baking company, \$4.32; Chief Webster, \$5.00; W. S. Parker, \$250; D. B. Crittenden & Co., \$24; A. M. Lewis, \$3.25.

In the preliminary hearing of the McAloon murder case at Hartford yesterday morning, Montana was committed without bail for appearance before the Superior court. Board of Health.

tation and spare no pains to merit it. Ou fall stock is now on hand.

J. N. Adam & Co. The Board of Health met last evening an Health Officer Lindsley reported that he had Black Cashmeres. made inquiries of forty-two druggists in re After a most thorough investigation of the subject we came to the conclusion that the gard to the water used in making soda water and found that only two used well water and very best French cashmeres are those made by Carlier and dyed by Gillaumet. Taking those water from driven wells. firmness of texture, smoothness of finish weight of wool to the yard and rich lustre o Lewis Osterweis appeared before the Board and asked for the suspension of the order passed at the last meeting regarding the vault in the rear of 93 Church street. The Board, in consideration of the fact that he intends building there shortly, voted to suslye all into account, we found that no other make combined excellence in all these point make combined excellence in all these points in so great a degree as Carlier, and we decided that we would keep them regularly in all the grades. In order to get the goods on the best possible terms we imported them direct (in conjunction with our Buffalo house) and have marked them so that the prices compare favorably with those charged for much less meritorious goods. So far as we know these exhaueres are not sold by any end the order provided the vault was put n sanitary condition. Bills amounting to \$488.03 were ordered The hour of meeting was changed to 8:30

New Haven Baptist Association. know for certain that they are not imported The 59th anniversary of the above asso ciation will be held with the church in Wallingford, Wednesday and Thursday, October Comfortables. 1 and 2, 1884. The first session will be held In these useful articles we have a lot of medium and high class goods made by the best maker in the country. We challenge competition on any grade. J. N. ADAM & Co. Garton will preach the annual sermon. Rev. C. A. Piddock, of Middletown, will preach the missionary sermon Wednesday evening. The Wallingford church hope for a great Wool Hose. We have a lot of fine French wool hose for outpouring of the spirit as a result of their children, very high class goods, which we bought in irregular assortment at extremely low prices. They are in solid colors.
